

CTPA WED. EVENING LADDER LEAGUE

BASIC SETUP

After the initial signup through Parks and Rec, players will be sorted by their CTPA skill level and randomly drawn within their skill level for initial positioning in the Ladder League. Placement of 4.0+ level players will start at the top of the ladder, followed then by skill levels 3.75, 3.5, 3.25, 3.0, 2.75, 2.5 to fill out the Ladder.

PLAYING PROCEDURES

- **FOUR PLAYERS:** You will play one game to 15 with each of the players in your group (all games win by 1, not 2).
- **FIVE PLAYERS:** In the event of an odd number, the groups with 5 players would play 4 games to 11 points (all games win by 1).
- Teams change ends after 8 points to be fair on the outdoor courts.
- After each game is finished, please have someone from your group record the score on your clipboard.

SCORING RESULTS

- Scoring results for the night will determine your position for next week's play.
- The player with the highest total game score in your group will **ALWAYS** move up to the next higher group and the player with the lowest score will move down one group.
- Absences of others, will not prevent the highest scoring player of the group from moving up, instead a 3rd place finisher may be dropped a group as well.

Scoring example:

Game 1: players A and D vs. players B and C

Game 2: players A and C vs. players B and D

Game 3: players A and B vs. players C and D

Player A – won **15-12**, lost 15-7, won **15-9** = 37 total points - 3rd

Player B – lost 15-**12**, won **15-7**, won **15-9** = 42 total points - 1st

Player C – lost 15-**12**, lost 15-7, lost 15-**9** = 28 total points - 4th

Player D – won **15-12**, won **15-7**, lost 15-**9** = 39 total points - 2nd

ABSENTEE POLICY:

- First offense: forgiven
- Second Offense: **Your position will fall to the next lower group**, in an effort to be fair to others playing their way UP the ladder.

** Balls will be provided by CTPA during play.

Any warm-up and practice time is prior to 6PM. **Please arrive by 5:45pm. Play to start promptly at 6pm due to light availability.**
